Waddy

FOR SUPERMARKETS & GROCERS

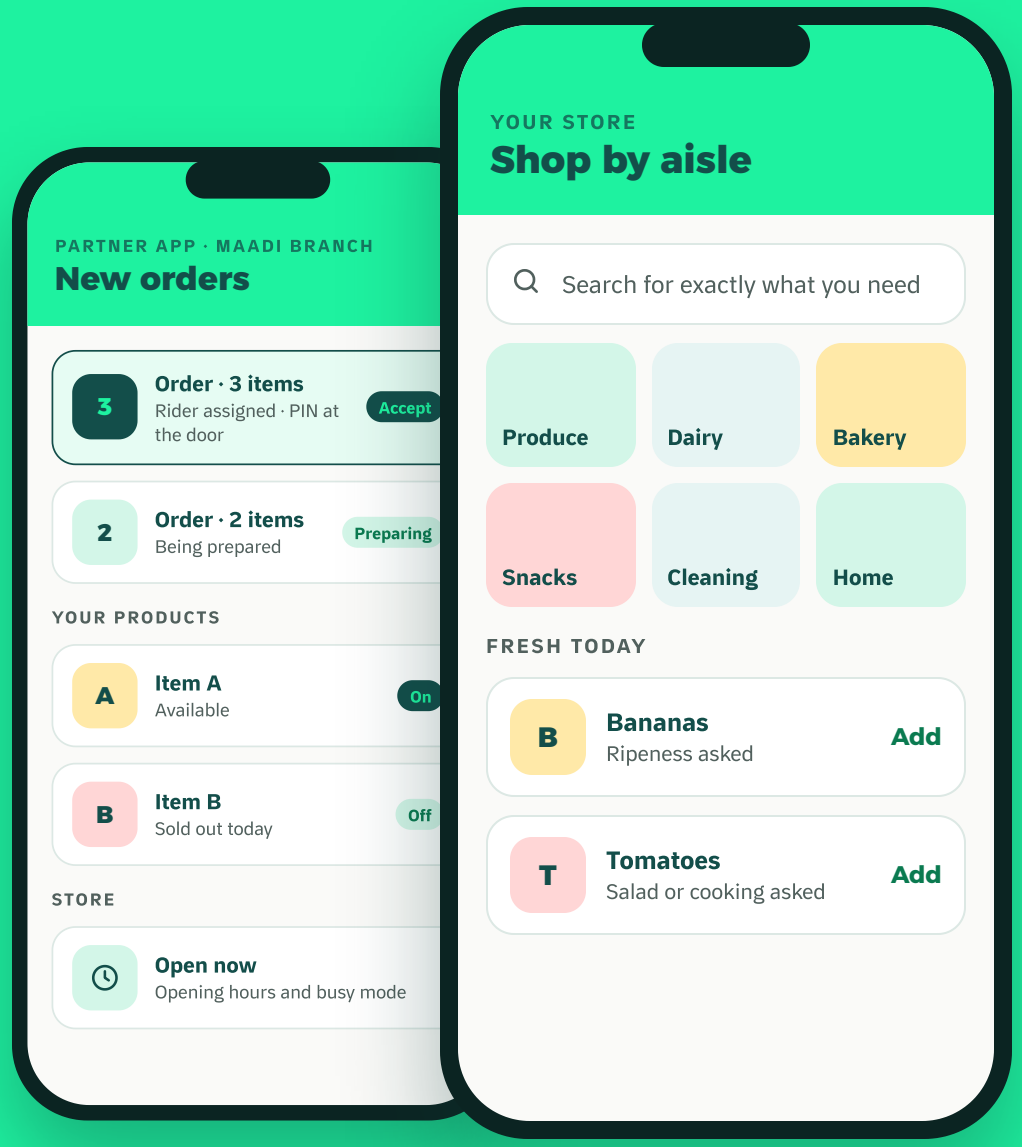

The local growth partner

Grow Your Store Beyond the Counter.

Meet Waddy, the neighborhood delivery and growth platform that lets your fresh aisle sell online the way it sells in store.

Ripeness choice · Salad or cooking · Local advertising · Our own riders

Founding partners · No setup fee · Reduced launch commission · Keep your other apps

MADE IN MAADI · BUILT AROUND YOU

WADDY IN ONE PAGE

Why Add Waddy? The Short Version.

Your neighborhood, not the city

Customers in Maadi see Maadi. You compete with your street.

We advertise in Maadi

Waddy-funded local Instagram and Facebook campaigns. You never have to buy ads to be listed.

We deliver

Our own riders, live tracking, a PIN at the door, and cash collected for you.

Customers come back

XP, weekly quests and scratch cards give them reasons to reorder.

Built for grocers

Ripeness and salad-or-cooking choices let your fresh aisle sell online, with fewer complaints.

Keep every app you're on.

Waddy is non-exclusive. Add it alongside the channels you already use.

Founding partners: no setup fee and a reduced launch commission. Full offer overleaf.

START RISK-FREE

- **No setup fee**
  Joining, onboarding, catalogue and photos cost nothing.
- **Reduced launch commission**
  A lower rate for founding partners while you get started.
- **Stay on your other apps**
  Waddy adds Maadi customers. It doesn't replace anyone.
- **30-day review**
  After 30 days we show you every order that came through Waddy, and you decide.

We're new, so there are no case studies yet. Founding partners get these terms agreed in writing.
